Gear to Geaux PC Laptop Instructions

Connect your laptop to a power source before turning it on!

After booting your Windows based laptop for the first time, you will be presented with the Out of Box Experience (OOBE).

Connect to EDUROAM

1. Select the **EDUROAM** Wi-Fi profile and click **connect**.
2. Enter your LSU email address as the username and click **next**.
3. Enter your LSU password and click **next**.

   <u>*Note:*</u> If you are off campus, connect to your local Wi-Fi profile.

4. Once connected, click **Next**.

At this time, the laptop will check for and apply updates, it is possible during this time, the laptop will reboot. This is normal.

Setting up your account

1. Type in your LSU email address and click **next**.
2. Type in your LSU password and click **next**.

At this point, everything is automated and will take around 3-5 minutes to complete. When it's completed, the laptop will automatically log into Windows.
